

SHERWOOD JUNIOR SCHOOL

REMOTE LEARNING - INFORMATION FOR PARENTS CLASS 6B Week beginning 25th January

Preparation:

- Check your child has all of their logins and passwords
- Check that Microsoft Teams is installed on the device your child will be using
- Check that school has your correct email address
- Check that your child has basic equipment to do their work (pencil, paper, ruler)
- Find a quiet place for your child to work, preferably at a table

Class email:

Please use the following email address to communicate with your child's teacher during the period of home learning: **class6b@sherwood.notts.sch.uk**

Please note that this account will only be active / monitored during the time the children are working at home.

Websites for additional learning not covered in Oak National Academy:

1. <https://www.bbc.co.uk/bitesize/subjects/z39d7ty>
Please watch the ones that interest you and particularly the clips on French pronunciation. This will help you with your French speaking on your return to school.
2. <https://www.pobble365.com/> Please use the picture of the day and write about it. It can be describing what you see_or using as a springboard for imaginative writing. What is really important is that you use your Y6 targets. Are your spellings correct? Are you using varied punctuation? (. ! ? , " " () - - : ; and hyphen). Practise the ones you are unsure of, you might get them right. Don't forget to write in paragraphs and practise your joins/best handwriting.
3. <https://www.bbc.co.uk/bitesize/topics/zs44jxs>
Good luck with this reading and the quizzes, these will help you with background knowledge for your return to school. If you have time you can explore further the clips and try the suggested ideas.

The BBC are also showing educational programmes available on TV, please look out for these!

We have been enjoying walking and yoga in school. Every day the teachers and children walk at least 2000 steps around the playground and do some very relaxing yoga in the classroom. Could you do some extra exercise? It's great for your mental health!

School based online learning:

The following work will be set daily and will be available for the children as outlined below:

Subject	Website	When
maths	www.activelearnprimary.co.uk	Daily - from 9.30 am
maths	www.ttrockstars.com	Ongoing - weekly challenges
