Fantastic communication and support by all. Really impressed. We're always grateful for what you do for our children but a new found gratitude was received!! Well done Sherwood!

Excellent learning and communication with teachers.

It was wonderful for me to see my child still being able to work at home and communicate with her teacher!

Excellent work from all the staff at Sherwood. I am very happy with the work under the circumstances. It is clear the staff worked very hard.

Well done to the teachers and children. The face to face contact online lessons were definitely better and seem to keep my daughter focus on doing the work. Thank you to all involved.

The teachers did a fantastic job during lock down.

Home learning was brilliant thank you, an amazing effort. Great communication.

Well done to everyone at Sherwood. You provided the children and parents with support and made sure the children's learning and engagement was of priority. Thank you.

I think your staff have been amazing delivering the online Teams sessions and in school as my child was a KW child. She was happy in school and doing her online working one day a week and that's all I ask for. Well done.

Absolutely blown away with the amount of support we got. Sherwood teachers and staff did an amazing job and helped whenever we needed them.
