Websites for additional learning not covered in Oak National Academy:

PE Sessions <http://www.afpe.org.uk/physical-education/thisispe-supporting-parents-to-teach-pe-at-home/> - Watch Lesson 12 - Agility and Throws

Geography: <https://resourcesforhistory.com/map.htm#gsc.tab=0> Use this website to research the areas the Romans had under control. Then, using google Earth, can you list the countries that the Romans had control over by 305AD - use the names of the country that we use today.

Additional Activities: Just some ideas of things to do if you have time on your hands:

- In RE we have looked at where people go to worship - these places are important and special to religious groups. Where is important to you? If you can, take a picture of your important place or draw it or write about it. Share with your class teacher the place that is important to you. It can be your bedroom, the beach or maybe it's a Church or Mosque.
- In French we are learning about pets - write a list of the Pets you have or a list of pets you would have if you were able to...Miss Dawson's would include an elephant! Then, can you find the French word for these pets?
- Do a puzzle with your family - could you create one for you all to put back together?
