Your voice matters, and you could win £100 by telling us about your family's morning routines

Sherwood Junior School now runs a free breakfast club, and we're taking part in a national study to help inform how they are run both here and across the country.

Take the 10-minute survey click here

We need your help. Independent researchers at Ipsos want to hear from parents and carers about what your family's mornings look like. Whether or not your child attends our free breakfast club, we'd like to hear about your morning routines and before school childcare.

Researchers worked closely with parents to make sure this survey asks the right questions and doesn't take up too much of your time.

- **The ask:** complete a 10-minute survey here*
- **The thank you:** a chance to win a £100 voucher.

- **Who:** everyone! We'd like to hear from you whatever your mornings look like.Please complete the survey by 23rd October 2026. Your answers will help inform the national rollout of free breakfast clubs.

*If completing the survey online does not work for you, please email UK-PA-BreakfastClubs@ipsosresearch.com.

Gardening Club Success

From seed to success, the Gardening Club harvested the fruits of their labour. Thank you for your hard work, dedication and resilience through every season and all kinds of weather! Also, I send a huge welcome to our new members - all of whom were lucky enough to take home a pumpkin on their first session!

Well done, Gardening Club!

Parents' Evening

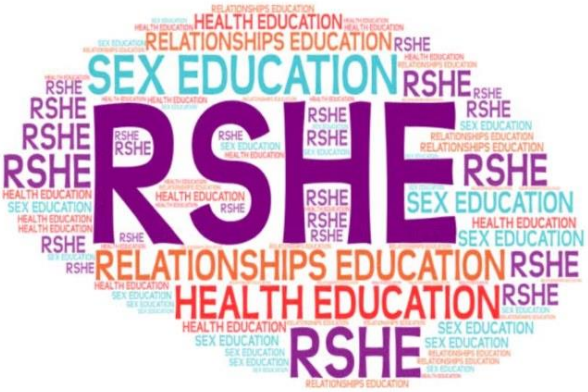
Thank You for Attending Parents' Evening

We would like to extend a huge thank you to all the parents and carers who attended our recent Parents' Evening. We were delighted to welcome so many families into school and value the opportunity to discuss your child's progress, achievements and next steps for learning.

We are pleased to share that **85.7%** of families attended our first parents' evening of the year. Your continued support and partnership make a real difference to our pupils' success and wellbeing.

If you have yet to meet with your child's class teacher, please arrange to do so at a convenient time. Thank you.

RSHE Meeting



From September 2026, we will be introducing our updated Relationships, Sex and Health Education (RSHE) curriculum.

To help parents and carers learn more about the changes and how RSHE is taught at Sherwood Junior School, we would like to invite you to an information meeting on **Tuesday 13 October at 2:30pm**.

This will be an opportunity to learn about the updated curriculum, ask questions and see what RSHE looks like in our school.

If you would like to attend, please come to the school reception, where I will meet you.

Thank you in advance to everyone who is able to join us. I look forward to seeing you there.

Year 6 SATS Buster Meeting

Monday 16th November at 2:30pm Year 6 staff would like to invite parents/carers in for a meeting to discuss all things SATS and SATS preparation. We will meet in the Top Hall for a short presentation and Q&A about the ins and outs of the SATS before inviting the parents/carers along with the children to have a go at some sample questions back in their classrooms.. This will give everyone an opportunity to see and experience a sample of the recent SATS questions and content as well as enjoying a few biscuits.

We will also be sharing our revision materials in more detail SATs Boot Camp - Year 6 SATs Revision, Practice Papers & SATs Questions Online.

This is an exciting opportunity for our children to revise ONLINE with some of the most up-to-date materials to support their revision journey. SATs Boot Camp is a BRILLIANT resource and very easy to use.

SATs Boot Camp – Parent & Guardian Information

SATs Boot Camp is an online learning platform designed to support your child throughout Year6. It provides structured learning that covers the Year 6 English and Maths curriculum, while also preparing your child for their SATs in May. By combining structured curriculum coverage with regular SATs-style practice, the platform encourages independent learning, strengthens key English and Maths knowledge and skills, and helps ensure your child is well prepared for their SATs and ongoing learning throughout Year 6.

Revise Section (start here!)

The Revise section contains engaging video lessons covering every Year 6 English and Maths topic. Each video is fully aligned with the national curriculum and includes SATs-style questions that your child can work through independently by pausing the video. After watching a video, your child can take a topic test to check their understanding and identify any areas that may need further consolidation.

Practice SATs Tests Section.

Once your child is confident with the topics in the Revise section, they will move on to completing SATs-style tests. Your child has access to a wide range of SATs practice tests, including:

• Arithmetic

• Reasoning

• Spelling

• Punctuation & Grammar

• Reading

These tests reflect the format and style of SATs papers, helping your child become familiar with question types, timings and expectations, while strengthening their knowledge across the Year 6 English and Maths curriculum.

Test Scores Section

Your child's progress will be monitored by their teacher through the platform's reporting tools,and you can also view test results to support learning at home where appropriate. The TestScores section provides clear summaries showing:

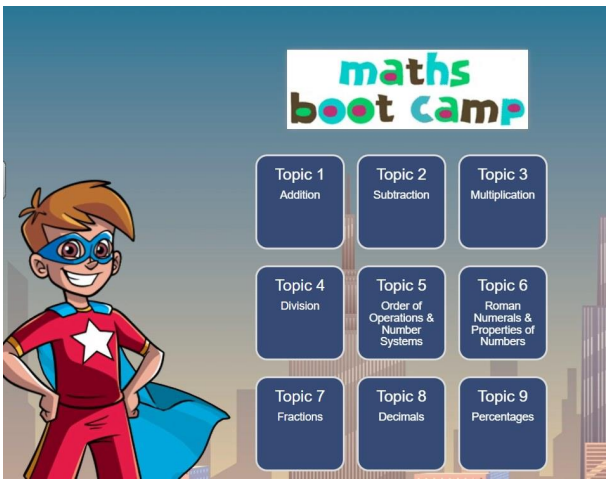
• Test results by Test - to track performance across revision tests and practice papers

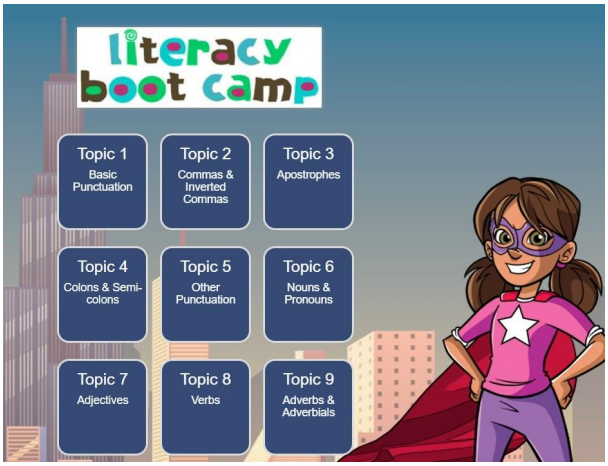
• Test results by Topic - to identify strengths and areas for development

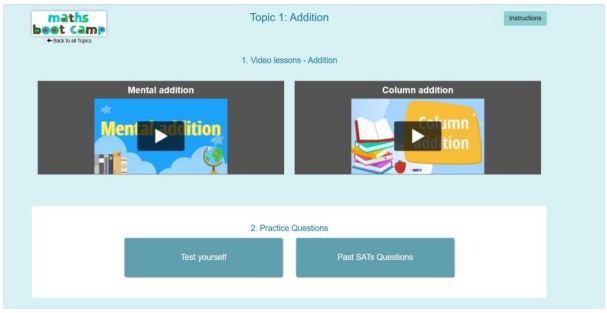
Motivation & Rewards

As your child completes tests, they collect hero coins. These can be used in the Avatar Shop to 'buy' items and customise their avatar. This reward system encourages regular practice and helps maintain motivation.

All of the children will receive their log in details and an opportunity to explore the site at school beforehand.







Remembrance Day Appeal

Poppies and a range of Remembrance Day merchandise will be available to purchase at breaktimes from **Monday 12th October**. Items will be sold in support of the Royal British Legion's Poppy Appeal, helping to remember and honour those who have served and sacrificed for our country.

Please send children with some change if they would like to make a purchase. Thank you for your support.

Sports Achievements

If your child has a swimming certificate, dance award, gymnastics award, a new belt in judo, anything at all related to being active, we would love for them to share it with us and we will celebrate them in our newsletter.

Golden Tickets

Golden tickets are awarded by our Senior Leaders (Mrs Stevens, Mrs Burton, Mrs Naylor, Mrs Bradbury & Mrs Seals) to individuals, groups or the whole class for demonstrating our school core values, including their attitude to learning and behaviour. Each of the 5 staff members have 20 golden tickets to present each week. Each class collects their golden tickets and a weekly total is shared in assembly. The overall scores are displayed on our leader board in the upper hall. The class with the most golden tickets at the end of the half-term receives **£50** to spend on a treat!

Well done to **6BL** for being golden ticket winners for this week and achieving an amazing **12** golden tickets!

Well done to **6BL** who were the overall winners for the £50 prize!

Attendance

The overall attendance for the last week was **95.7%**

170 pupils had 100% attendance during last week - amazing work Sherwood!

We monitor the children's attendance every day and will contact parents where there are concerns. If your child is unwell, please contact the school office to inform us of your child's absence.

Last week's attendance winners were:

1st	**98.3%**	**4H**
2nd	**97.5%**	**5P**
3rd	**96.6%**	**3M**

Pharmacy first Minor ailment

Here's a reminder about the Pharmacy First Minor Ailment information. It covers the ailments that can be assessed and treated, if needed within the pharmacy without the need for a GP appointment usually on the same day (unless the condition is particularly severe or complex) enabling the child to return to school sooner than waiting for an appointment, starting antibiotic treatment more quickly if needed or offering over the counter medication to enable the condition to be eased and facilitate return to school.

Use the link below to find pharmacies in the area providing the services.

Is my child too ill for school?

UK Government NHS

Does your child have a high temperature (38°C or more)? YES Keep them off school until it goes away. NO Follow the guidance below.

Your child can usually go to school with a mild cough or cold if they are otherwise well. If you do keep your child at home, it's important to phone the school or nursery on the first day and give them the reason.

Should go in	Should go in (let the school know)	Seek treatment before returning to school	Keep them off (at first)
A cough, cold or sore throat Fine with slight cough or common cold symptoms, such as a runny nose, sore throat or headache, as long as they're otherwise well and do not have a high temperature.	**Cold sores** Encourage them not to touch the blister or kiss anyone while they have the cold sore, or to share things like cups and towels.	**Impetigo** They'll need treatment from a pharmacist or GP, often with antibiotics. Keep them off school until all the sores have crusted over and healed, or for 48 hours after they start antibiotic treatment. Encourage your child to wash their hands regularly and not to share things like towels and cups with other children at school.	**Ear infection** If your child has an ear infection and a high temperature or severe earache, keep them off school until they're feeling better or their high temperature goes away.
Threadworms Speak to your pharmacist, who can recommend a treatment.	**Conjunctivitis** Fine unless they are feeling very unwell. Seek advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.	**Ringworm** See your pharmacist unless it's on their scalp, in which case you should see a GP. It's fine for your child to go to school once they have started treatment.	**Measles** They'll need to see a GP. Call the GP surgery before you go in, as measles can spread to others easily. Keep your child off school for at least 4 days from when the rash first appears. They should also avoid close contact with babies and anyone who is pregnant or has a weakened immune system.
	Head lice & nits You can treat head lice and nits without seeing a GP.	**Scarlet fever** They'll need treatment with antibiotics from a GP. Otherwise they'll be infectious for 2 to 3 weeks. Your child can go back to school 24 hours after starting antibiotics.	**Vomiting & diarrhoea** Stay away from school until they have not been sick or had diarrhoea due to illness for at least 2 days (48 hours).
	Hand, foot & mouth disease If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly.	**Chickenpox** Keep them off school until all the spots have crusted over. This is usually about 5 days after the spots first appeared.	
	Slapped cheek syndrome Once the rash appears, they're no longer infectious. Let the school or teacher know if you think your child has slapped cheek syndrome.		

Feeling worried or anxious: It's normal for any of us to feel worried sometimes. We may get a tummy ache or headache, or have problems eating or sleeping. Avoiding school can sometimes make a child's worries about going to school worse. If your child is struggling, please speak to school as soon as possible to explore available help. If your child is still struggling and it's affecting their everyday life, you should contact GP or school nurse.

Tea Party

Well done to this week's group of Tea Party winners - you're all superstars!

Children receive a certificate, a treat and then attend a 'Tea Party' to have a drink, a treat and play games - how exciting!

Every week, our Class Teachers celebrate pupils who shine by demonstrating our Core Values—Accountability, Resilience, and Respect. Winners might show these qualities in their learning, during play or through their consistent attitude all week. It's our way of recognising and rewarding those special moments that make our school community thrive!

3M Emmie - for her super **resilience** and determination in her work at all times

4H Gabriel - for his **accountability** and enthusiasm this term. Mrs Horton is impressed!

4B Daisy - for her **resilience** in maths and finally understanding multiples of 10, 100, 1000!

5S Poppy S - for her **resilience** in maths and never giving up

5P Lyle - for showing amazing **accountability** for his learning - always 100%

6B Poppy S- for her amazing persistence and **resilience** to improve her setting description

6BL Amelia P - for her **resilience** in writing this week and her drive to improve it

Reading Awards

We would like to encourage all children to read regularly at home and work towards earning our exciting **Reading Awards Certificates**.

The first milestone is the **Bronze Reading Award**, which is achieved by completing **25 reads at home**. Each time your child reads, this should be recorded in their **reading diary** and signed by an adult. A member of staff will check reading diaries each week and keep track of your child's progress towards their award.

Regular reading at home helps children develop their confidence, fluency and love of books. Thank you for your support in helping your child on their reading journey. We look forward to celebrating lots of Bronze Award winners this term! 🌟📖
